## CAMPUS RECRUITMENT OF SYNAPSEINDIA

### **About Company:**

**SynapseIndia** is a 15+ years old IT company, based in Noida (3 software development offices in Noida) and have global presence/location with around 500 IT professionals. We are a Microsoft Gold Certified partner, Microsoft small business specialist, Google certified partner and ISO 9001:2008.

We have an expansion plan for which we are in need of fresh talent. We are hiring Fresh Talent because fresh minds are definitely better to be moulded as per the organizational requirement. They bring the refreshing energy and great learning attitude. Fresh Talent can take the risk in innovating new things and do things differently.
