- The Action taken on the decisions of different Governing Body (GB) Meetings of Bengal Institute of Technology are attached herewith.
- A sample of Feedback forms are also attached

Action Taken on the decision taken in the last GB meeting held on 11-09-2020

Particular	Discussion & Resolution	Action taken
Suggestions given by the honorable members.	The Chairman, BOG expressed that the achievements should be presented separately under the following headings: <ul style="list-style-type: none">• Academic achievements,• Students' achievements,• Achievements by individual faculty,• Institute's achievements.	Noted and followed these sequences in the agenda of this meeting.
	On the need of enhancing Institute-Industry partnership.	The Institute is making possible efforts for enhancing visibility and partnership with industries by sending faculties to different events organize by the Industries and also by inviting industrial professionals for delivering knowledge sharing talks.

Action Taken on the decision taken in the last GB meeting held on 19-11-2020

Particular	Discussion & Resolution	Action taken
Suggestions given by the honorable members.	Dr. Saikat Basu of MAKAUT suggested for specialized coaching and extra classes to students who want to pursue higher study, namely GATE course. He mentioned that BIT management can consider some remuneration to the faculties, if they agreed to take up these extra coaching classes.	Noted and pursuing as per the guidelines of TIG.
	Dr. Saikat Basu also mentioned that as per MAKAUT norms, in an academic year, at least 3 meetings are to be conducted.	Generally followed, but this year because of COVID-19 pandemic, there is some disruption on the timeline.
	Prof. Sujoy Biswas, Director, TIG has suggested that currently all academic and technical activities are going on online through virtual platform, therefore, using the expertise of Resource Persons (RPs), the Techno India colleges can organize lecture series as faculty development programme and for coaching of students for higher studies.	Noted for future follow-up. The Institute has organized several virtual lectures and talks in last 3-4 months.

Action Taken on the decision taken in the last GB meeting held on 31-03-2021

Particular	Discussion & Resolution	Action taken
Suggestions given by the honorable members.	Madam Co-Chairman expressed that Online classes should be made interactive and for more visibility, students be asked to keep video on during the interactive session.	Faculties had been advised to have more innovative interactive sessions and to design quizzes and tests.
	Dr. Saikat Basu of MAKAUT expressed concern about attendance of students in Online academic activities and suggested for strict monitoring by different methods.	Attendances are taken in every online activity. Sometime, because of lack of internet connectivity, particularly in remote areas, students have disrupting internet connectivity and fail to register the attendance. However, concern is noted for future compliance.
	Dr. Saikat Basu also mentioned for allowing special leave to faculties for pursuing Ph. D. programme. He also mentioned for payment of honorarium to faculties, if they performed any specialized programme.	About the sanction of leave for pursuing Ph. D. programme, Faculties are allowed when they asked for 1 / 2 days leave without affecting regular classes. As per AICTE's norms out of six days in a week, one day particularly, Saturday is exclusively allowed for R & D activities.
	Dr. Ranjan Roy had mentioned about reduced admission in all colleges in the State. He said more efforts be given for increasing admission status	Noted for future guidance.

Action Taken on the decision taken in the last GB meeting held on 23-12-2021

Particular	Discussion & Resolution	Action taken
Suggestions given by the honorable members.	Madam Co-Chairman expressed that Online classes should be made interactive and for more visibility, students be asked to keep video on during the interactive session.	Faculties had been advised to have more innovative interactive sessions and to design quizzes and tests.
	Dr. Saikat Basu of MAKAUT expressed happiness on the methods being followed by BIT towards Online academic activities. He also complimented faculties for publishing a good number of scientific papers in reputed journals.	Views of the BOG member conveyed to faculties.
	Dr. Sujoy Biswas had also mentioned about the reduced admission in BIT. He said that possible efforts be made for enhancing admission status in the next academic year. Dr. Biswas had mentioned that he could also help promotion of the college through multi-media in which he is linked.	In the academic year 2021-22, the total number of students' admission has improved. The admission team of BIT and TIG have worked together to improve the students' admission in the year 2021-22.
