BENGAL INSTITUTE OF TECHNOLOGY, KOLKATA, WEST BENGAL

IIC-ID: IC201912466

ANNUAL REPORT 2024-25

1. About IIC: Institute Innovation Council - Bengal Institute of Technology (IIC-BIT)

In the year 2018, the Ministry of Education (MOE) launched the Institution's Innovation Council (IIC) program in collaboration with AICTE for Higher Educational Institutions (HEI) to systematically foster the culture of innovation and start up ecosystem in educational institutions. At that year Institute Innovation Council - Bengal Institute of Technology (IIC-BIT) was formed and worked according to establishes the vision and mission of MIC.

1 a). Role of Institution Innovation Council of Bengal Institute of Technology (IIC-BIT):

The IIC envisions creating an innovation ecosystem at a national level. IIC helps students to have their start-ups before graduating from college. This turns the students from job-seekers to employment generators. There are about 2711 established institutes having incubation centers. Students who have an innovative idea have a golden opportunity to take guidance from the e-cells in their colleges. IIC also prepares colleges for Atal Ranking of Institutions on Innovation Achievements Framework (ARIIA). Primarily, IIC's role is to engage a large number of faculty, students and staff in various innovation and entrepreneurship related activities such as IPR, problem-solving, management at pre-incubation/incubation stage etc.

The recent achievement of India's 40th Rank out of 132 countries for year 2023, in the Global Innovation Index (GII) is a reflection of the same. IIC focuses on helping students with pre-incubation ideas. The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are in formative years. Institution Innovation Council of Bengal Institute of Technology is striving continuously to motivate students and faculties for continuous efforts towards innovation, incubation, startups and achieving sustainability goals.

2. VISION OF BIT (BENGAL INSTITUTE OF TECHNOLOGY):

To become an institution of excellence in engineering and technological education, and produce skilled technical manpower of high quality with a high degree of social commitment to compete in the global market as a quality human resource to society and industry.

2 a). VISION-OF IIC-BIT (INSTITUTE'S INNOVATION COUNCIL- BENGAL INSTITUTE OF TECHNOLOGY):

IIC ID: IC201912466

To promote innovation, incubation, and entrepreneurial environment in the organization by offering Students, Faculty and Society opportunities to renovate their business ideas to prototype to business

3. MISSION OF BIT (BENGAL INSTITUTE OF TECHNOLOGY):

- ❖ To offer a state of the art undergraduate program by providing a congenial teaching learning (T-L) and contending environment.
- ❖ To create an ambiance in which new idea and cutting age research flourish through effective curriculum and infrastructure so as to produce the motivated leaders and innovators of tomorrow.
- ❖ To apply and disseminate information and Communication Technology (ICT) in T-L process including providing both hard and soft skills to students.
- ❖ To provide quality resources (Physical and Human) for producing ethically strong and morally elevated human resource to serve mankind.

3 a). MISSION OF IIC-BIT (INSTITUTE'S INNOVATION COUNCIL- BENGAL INSTITUTE OF TECHNOLOGY):

IIC ID: IC201912466

- To create a vibrant local ecosystem to incubate and support innovative ideas
- To create entrepreneurship opportunities for Students, Faculty and Society
- To nurture and support the start-ups by providing them necessary support
- To provide support to commercialize innovative and sustainable ideas
- To prepare institute for Atal Ranking of Institutions on Innovation Achievements Framework
